THIS IS THE WAY WE DO IT!

We always try to make things attractive, but we do it in a quiet way. Yet we have kept moving onward and upward until we have now filled

FIVE FLOORS JAM UP,

(without counting our Warehouses,) with Goods, and now find that we have not yet room enough.

It is because we buy from first class Houses in large quantities for Cash, which enables us to sell our Goods at City prices, and keeps our business in a steadily growing condition.

We do not try to compete against our neighbors at home, but to the contrary, we wish them all well; but it is against the big magnates in the large Cities we try to compete, and why not? We buy where they buy, and we have the same advantages the Sterns, the Altmans and others of New York City have. We do not mind Charleston and Columbia.— We can keep at par with them without much trouble.

We have succeeded in building up a business that is a pride to Camden—it is the largest in the up-country, never mind where you go. Five floors packed full with Goods, and the Rail Roads and Express brings them in every day. Always new Goods at lowest market prices.

We employ twelve Clerks, and never dismiss one during the Summer season, for we find employment for them the whole year through.

You can find at our place of business anything you wish from a cured Hog to a live Mule—from a Homespun Dress to a Silk one—from Kitchen to Parlor Furniture—from a Needle to an Anvil. We sell them cheap for cash and on credit to all who are deserving. All can trade with us.

It is impossible for us to enumerate the lines in our different departments. We have not the time or space, for if we were to attempt it, we would have to charter the whole paper, and this would be unfair to our neighbors.

Every one knows BAUM BROS., where you can find all you need at City prices, in a City-like Store. When strangers enter our Store, they are simply astonished to find an establishment in Camden where you have such an excellent and varied Stock to select from, consisting of

**Dry Goods and Clothing,

WHOLESALE ESTABLISHMENT,

BAUM BROS.' is the place to see it. We have over fifty packages of Goods in Bales and Cases not opened, all for Wholesale trade.

We get car loads of Goods, and we sell them too. We are prepared to serve every body at City prices. Come soon and be served, and we can show you
